Mr. Amon G.Carter,

Fort Worth, Texas.

PERSONAL.

My dear Amon:-

A mutual friend told me yesterday that your boy had been reported missing. I hope it isn't true, but relying on the information I cannot think of anything else but you and what you must be suffering.

My boy went into New Guinea the first of last September and was there for six months. I have not heard from him for some time, but I can appreciate what we would feel if we had such a report about him, and therefore know what you must be going through.

Everybody gave up hope for Eddie Rickenbacker except his wife, and he came back, and I am sure that your boy will, and I certainly shall lend my prayers to that end, but I do want you to know that I am thinking of you and for you.

Sincerely yours,

Wm Dewey Loucks
