My dear Annon:  
What a thrill I got when I opened the box of beautiful flowers! I can not tell you how deeply I appreciated the thought. They made our rather dreary apartment very cheerful.

Fritz and I have thought of you and Annon Jr. so often. Our prayers have been that he will return safely and I believe that he will.

Please remember

me to Ruth, I am de-  
voted to her. I expect  
to come home in June  
and hope to see her  
then.

Fritz joins me in  
wishing you good news  
of Anne - and soon -

Always sincerely,

Hazel Larcham.
