Dear Amon:

I just wanted you to know how deeply I sympathize with you on the news about your son. I know how very much he meant to you and how proud you were of him, and having two sons myself in the Service, I can fully appreciate your feeling.

There is very little one can say at a time like this but it is worth something to know that your friends are thinking about you and grieving with you. I am in hopes the news may still come that he was captured rather than lost.

Again expressing my deep regret, I am,

Yours sincerely,

Charles S. McPhee
