My dear Miss Deakins:

Thank you ever so much for your letter of April 5th. It was interesting to learn that Mr. Carter saw the picture in Newsweek that we saw, and I am only sorry that it didn't turn out to be Amon, Junior. Whenever you do receive further word as to Amon Junior's whereabouts, won't you please drop us a note, as we are intensely interested?

Thanks also for your news of Bertice and her activities. We knew that she had a radio program in Dallas, but had not learned that she was on regularly. It is fine that she is doing such a grand job.

Thank you again and please give our best wishes to Mr. Carter.

Very truly yours,

CHH/fp
