Mr. Amon G. Carter,
Ft. Worth Star Telegram,
Ft. Worth, Texas.

Dear Amon:-

Last week at Charles Roeser's house I was very much impressed with Amon Jr.'s letters which you read to us, and also I was appreciative of your concern for his welfare.

In this morning's Star Telegram I notice that he is a Prisoner of War in Germany. While this is none too pleasant to think about, at the same time I am sure you must gain consolation from the fact that in all probability he will be safely returned to you when this mess is finally over. I join you in this hope and belief.

Sincerely yours,

Chas. P. McGaha
