

Grenada Miss
Apr. 15. 1943.

Dear Mom,

In this morning's
Memphis Commercial Appeal
we see where your son who
has been missing since
Feb. has been found as a
prisoner of war in Germany.

Edgar and I want to
express with your numerous
loyal friends our deepest
feelings with you and
Mrs Carter, I am sure your
anxiety has been great and
under any circumstances
a relief to know he is alive.

War is cruel from any angle
and we who can not take
actual part suffer most

We have at least this one
comfort, God is good and
on our side so all will
be well in the end for
those who trust him.

Our boy (Rosario) is
at Beauriggard La, we are
hoping he won't be in
actual combat or taken
across even, he is all
we have and where we
are not being selfish over
him, we would like to
keep him if we can.

He is married, has a lovely
wife and twin babies, a
little boy and girl, his
wife was Fern Pendergrass
of New Orleans.

We do not get much news
from Texas since Mattie's death

and feel real home sick
at times

If you feel like writing
us we will be so glad
to hear more about your
nice little boy; that is
what he will always be
to you and his mother
Our boy (Henry Ray Jr) is
six feet three but still
baby to us.

With every sincere
wish that all will be
well and your soon will
soon be returned to you

I Am

Your friend

Loula Brown Underwood.
