Dear Amon:

The best news that we have had for a long time was in the paper this morning.

The young man will get along alright; he is that kind of guy. Incidentally, his old man exhibited a fine type of courage during the time that this news was coming; I have never seen anyone with more faith that things would turn out well.

Now we can return to the job of eliminating the Heinies, so that Cowboy will the sooner return to West Texas and to you.

Sincerely yours,

C. R. Smith

Mr. Amon G. Carter,
