Dear Amon:

I noticed in this morning's paper an announcement that your son has been reported a prisoner of war in Germany. Until I saw this I did not know that he had been missing since February 14.

At lunch today Herman Cornell told me how worried you have been as to what had happened to your son, and I am glad to hear that he has finally been located. Even though he is a prisoner of war, I am sure that you must be relieved to know that he is alive. It is tough luck, but at least you can look forward to seeing him when he is eventually freed, and I hope that it will not be long before this becomes a reality.

With kindest regards and best wishes, I
am

Sincerely yours,

Mr. Amon G. Carter,
