My dear Mr. Carter:

I cannot describe to you how Mrs. Lesser and I felt this morning when we read in the papers that your son is safe and has been reported in the hands of the enemy.

I know that the prayers of your many thousands of friends have been answered and that this news has been as good to them as it has been to you.

I am sure that he will be one of the first to see our triumphant soldiers march into Germany and hope the day will not be long when he will be reunited with you and your dear ones.

Very sincerely yours,

C.H. Lesser
