

Bronson Texas April 15th 1943.

Hon Amon G Carter Sr,
Fort Worth Texas.

Dear Amon:-The interest I have in your Patriotic Democratic Services in this Great American Nation, and the interest I have in my own son who is with the U.S.M.C, 4th Batallion, (with a commission of Lt Col) adds to my deep sincere hopes of the safe return of Amon G Carter Jr, from the ridden African section to his home safely after the ret of the country is again made safe for Democrasy. Again in appreciation for the wonderful service you have rendered grand old Texas in particular and America in general, and with all good wishes and kind regards, I am, until the last roundup,

Always,

Your friend,

Lapping
