PRESIDENT

Dear Mr. Carter -

Lyndon writes me that you sent me some lovely flowers, which I think was so thoughtful and sweet of you! I thank you so very much.

This morning when I read in the paper that your son is reported a prisoner I felt like shouting. Distressed as you must be over his welfare I know it must be bliss to know that he is still alive. I shall write Lyndon about it - though

he doesn't miss much and has  
probably heard it already.

Thank you again and  
best wishes,

Bird Johnson  
(Mrs. Lydon Johnson)
