JOSEPH F. GREATHOUSE

April 15th, 1943.

Mr. Amon G. Carter,
Star Telegram,
Fort Worth, Texas.

Dear sir:-

It is with the greatest joy that we have heard that your son is not lost but turned up in Germany as a prisoner of war. We regret he was taken prisoner but know he must have been where fighting was the thickest and danger was the greatest to have been captured.

We send our sincere wishes that he shall be early exchanged for another or ten other German prisoners.

We congratulate both your fine son, Lieutenant Carter, and you his father and may all success attend both father and son.

Very sincerely,

Mc Lean & Greathouse

Of course Bill McLean joins in this letter JFG

I hope there aren't any cafeterias in the Air Force. One just received by finding out of this morning. I believe other things are being put together by passing things to the bottom.
