FRED F. FLORENCE
PRESIDENT

April 15, 1943.

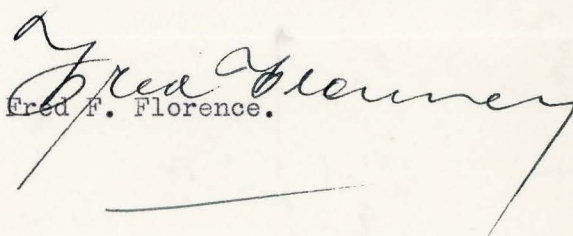

Dear Amon:

I learned by the radio broadcast last night that Amon, Jr., is now reported as a prisoner of war.

While I am sorry to know that he is in the hands of our enemy, I am indeed happy to learn that he is alive and well. I know that it must have been a great relief to you, and I share in your hope that it will not be many more months until he will return to these United States to resume his place in a happy and normal way of life again. All of your friends, I am sure, join in a prayer of thanksgiving for his safety.

With warmest personal regards, I am
always

Your friend,

Fred F. Florence.
