Dear Mr. Carter,

I am very happy about the good news which has come to you. I am glad on your account and also because I think " Little Amon " one of the best looking and most promising young men I know.

I have felt certain all along, after as careful as possible study of the terrain and tactics involved that Amon, Jr. was a prisoner. It seems to me that his superior officers made an unfortunate blunder.

Of course all of us want the Germans defeated completely and much sooner than is indicated at present. But the Germans do play the military game according to code. Since Little Amon is an officer he will receive decent treatment and, I believe, draw the pay of an officer of his grade in the German army.

Sincerely yours,

Web Maddox
