P E R S O N A L

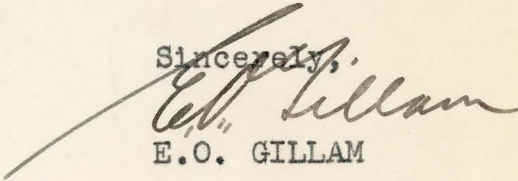

Dear Mr. Carter:

In times such as we are now passing, the human side of life quite often momentarily outweighs everything else in the world and knowing as I do your great affection for your Son, I was deeply impressed by the article in this morning's Star Telegram relating to his capture by the Germans.

Be sure that I, along with your many other friends, am extremely sympathetic toward you and trust and hope that he will pull through and again be returned safely to you and his many friends in Ft. Worth.

I know you feel proud that the difficulty through which he is passing now was occasioned by a high responsibility of patriotism for the grandest nation that ever existed upon the face of the earth!

Sincerely,

  
E.O. GILLAM
