Mr. Amon G. Carter
Fort Worth, Texas

Dear Amon:

I want to tell you how relieved Hazel and I are to know that you have had some encouraging word about Amon, Jr. Colonel Easterbrook told me he telephoned you by long distance as soon as he got the news at the War Department. Our thoughts have been with you constantly in this time of great anxiety and we rejoice with you at the latest news. We hope and pray that everything will go well with Amon and that he may be returned in health and safety to you and to all of us who love him.

With every good wish always, in which Hazel joins, I am

Sincerely your friend,

Fritz G. Lanham
