Dear Amon:

I started a letter to you several weeks ago when we first received the news concerning Amon Jr. I did not finish it for everything was so uncertain. If the very worst had happened, then mere words would have been wholly inadequate with which to express my sympathy.

I felt, in fact I was certain, you would hear of or from him as a prisoner of war and I am overjoyed to hear such is the case. While to be a prisoner in Nazi land will be no picnic, of the two evils confronting our boys at the front, it is certainly the lesser.

Sincerely yours
