Dear Mr. Carter;

Along with your thousands
of friends I am glad to know the good news
that your son is alive.

I heard he was missing in Washington,
where I have been for the past year working
for the contractor on the War Department's
big Pentagon building.

You can understand that I share your anxiety
---for my son is in the air force just begining
his flying training.

With best wishes, I am,

sincerely yours,

Jack Corn
