Dear Mr. Carter:

Thank you for your letter of January 12, 1952, enclosing the copy of American Airlines' year-end business release.

I saw the release in summary form as printed by the Washington newspapers; however, they did not include all the details contained in your letter.

With regard to the subsidy separation legislation now pending on the "Hill," the Civil Aeronautics Board is going to do everything possible to get the legislation passed during this session of Congress.

Your report concerning the progress that you have made at the Amon Carter International Airport was most encouraging. I had intended to be in Texas and Oklahoma during the first few days in December, but I was unable to do so because of the Mexican negotiations. However, I am planning a trip away from Washington during the latter part of February and I will appreciate the opportunity to have a personally conducted tour of the airport.

The grapefruit and almonds that you sent to us at Christmas time were appreciated greatly. The pink Texas grapefruit is the best in the world.

Kindest personal regards.

Sincerely yours,

Don Nyrop
