OFICINA DEL VICE-PRESIDENTE
Y GERENTE GENERAL

March 5, 1952

Dear Mr. Carter:

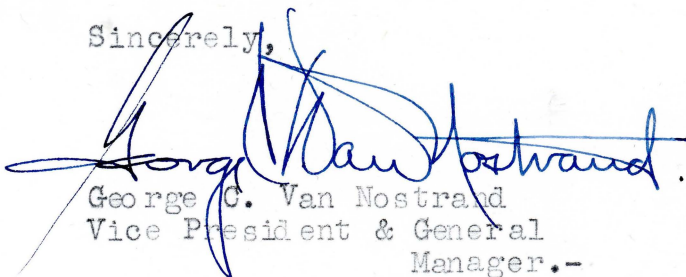

Thanks.

Your graciousness to Senator Bermudez will help us in Mexico.

I hope that yours and Senator Bermudez' idea of dedicating, on the same day, the Amon G. Carter International Airport and the new terminal on the Mexico City Central Airport will materialize. The inevitable charter flights will initiate the field as an international airport.

I am suggesting to Senator Bermudez that he discuss this with President Alemán.

Sincerely,

George C. Van Nostrand
Vice President & General
Manager.-
