Dear Colonel Carter:

We happened to learn that the board meeting of American Airlines was held last Wednesday, June 18th. Possibly we were remiss in not checking up on the date so that we could get hold of you and discuss the new material which we have prepared.

From here on out we will keep posted on the meeting dates and I sincerely hope that you, Mr. Smith and we can get together in advance of the next meeting.

With all best wishes, I am,

Sincerely,

Harold S. Barnes
