Dear Mr. Carter:

Following the regular Directors Meeting next Wednesday, March 19th, instead of our usual informal luncheon, we would like you to be our guest at the Wings Club in the Hotel Biltmore to meet members of the National Air Transport Coordinating Committee and the Directors of the Air Transport Association of America.

After the luncheon, Captain Eddie Rickenbacker, Chairman of the National Air Transport Coordinating Committee, will talk about airport problems in the United States.

This promises to be a most interesting and informative meeting, and we hope you will be able to join us.

It would be very much appreciated if you would indicate below whether or not you will be able to attend and return this letter to us.

Sincerely,

Walter H. Johnson, Jr.
