Mr. Amon G. Carter
Fort Worth Club
Fort Worth, Texas

Dear Amon:

We will eventually have to make some long range plans for our operation at Fort Worth. From what I know of the two airports there, it seems to me that we should look forward to the time when the military requirements at Tarrant Field diminish when there will be room for civil operation there. Tarrant Field is a splendid airport and probably will always be better than Meacham Field.

Do you agree that we should plan to use Tarrant Field rather than Meacham Field for our Fort Worth operation when Tarrant becomes available?

Sincerely,

C. R. Smith
