Dear Amon:

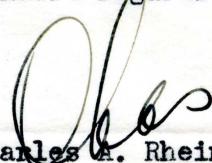

Red Mosier has just told me of his telephone conversation with you today and of the passengers who were booked from Fort Worth to Mexico City for clearance at San Antonio.

It is our policy to route passengers who stop over at Fort Worth or who originate at Fort Worth on the flight that operates non-stop to Monterrey and we are writing to Fort Worth today to make certain that this policy is adhered to in the future.

I don't know what date your friends were booked, so that I can't check on them, but it may be that the other flight was filled before they requested space. In any event, that is the only reason they should have been booked via San Antonio.

Many thanks for telling us about this.

Kindest regards

Charles A. Rheinstrom
