Dear Mr. Carter:

I have been in Houston for the past six weeks, stationed at Ellington Field and now I expect my discharge any day. I would like to know if you will be in Fort Worth this coming weekend so I could have the opportunity of seeing you before I leave Texas. My wife is with me and she would like very much to meet you.

I would appreciate an answer from you as soon as possible.

Sincerely,

Robert H Harvey
1st Lt A.C.

My address is
