Dear Mr. Carter:

Although you may be disappointed to know, I believe that you will be interested in the fact that one of our Flagship Girls, Miss Carolyn Gildersleeve, has decided to leave us for a new "career". We understand that the war is over, the Navy is returning, and that Miss Gildersleeve will be married in about ten days.

We are pleased, however, to tell you that Miss Alma Jean Keith will join our "Flagship Staff" and, along with Miss Ollie Jo Bowen, will continue to give you the best possible service which you and your people so justly deserve.

Sincerely,

Carrol F. Hinners
