July 30

Dear Mr. Carter -

We have finally selected a man for the H. Worth Sales Manager position, after carefully reviewing all of the possible candidates. His name is Harry Wiseman - he has been with the Company about ten years & since returning from the Navy on Jan. 1st has been Sales Manager at Newark. He is from a small town in up state New York. Altho I would have preferred some one from the "cotton country", I am well satisfied that Harry's big smile & straight - from - the - shoulder methods will appeal to you and to the H. Worth people.

We decided upon him just
as I was leaving for Sa. Beach
with my family and I didn't
have a chance to write you from
N.Y. He will be in to see you
when he arrives next week &
I hope that you will like him.

I suppose that you will
be up for the Directors meeting
next month & I shall look for-
ward to seeing you then.

We certainly enjoyed those
few weeks & the whole family
appreciates your thoughtfulness.

Kindest regards.

Very sincerely

Wm. L. Loomis
