SEE INSTRUCTION NO. 2

Dear Folks

I just got through dashing off a V mail to Dixie so I'll see if I can't do the same for you. The reason for the extra time comes because our crew is in charge of group watch to-day. It is a 24-hour job with the four officers of the picked color splitting the time. The duties are more or less secret so I can't tell you anything about it.

I got six letters yesterday, four from Mama, and one each from Amy and Ruth, and four a couple of days ago that I haven't mentioned heretofore. Ask Dixie if that is a good legal word. The weather situation in Tennessee. I do believe Spring has already gone because it has been quite mild for the past few days.

Mama, you said for me to request something so will you send me a box of cookies.

All my love for this time.

Joe
