Mr. Carter

Mr. Bud Taylor of the American Airlines called to tell you that a DC4 flight originating here to Chicago was started this morning. He didn’t get the wire until late last night and the flight left this morning at 6:40 AM - stopping at Tulsa and St. Louis and returning here at 10:30 PM. As soon as the Publicity Department releases the story he will drop it by your office to be sent to the proper party in the News Room.
