TO THE DIRECTORS:

A tentative itinerary for the November directors' meeting is attached. Arrangements will be made, if possible, to confine the organized portion of the trip to two days--Thursday, November 14th in Saint Louis and Friday, the 15th in Tulsa and Ardmore--ending after a dinner in Tulsa on Friday evening. The program for these two days is subject to possible readjustments and we shall send you a later itinerary if that should be necessary.

Hotel reservations have been made in Saint Louis at the Park Plaza for the night of the 13th, and in Tulsa at the Mayo for the nights of the 14th and 15th.

You should call our local office and make reservations for the flights to and from Saint Louis. Do this as early as you can. If you are not able to secure the reservations you require, notify me by telephone and I will endeavor to be of aid. A list of selected schedules based on the assumption that you will be traveling directly to and from your home is attached. Transportation from Saint Louis to Tulsa the evening of the 14th and from Tulsa to Ardmore and return will be by special DC-3 flights which we shall arrange.
