Fort Worth Terminal Building Sign

You will recall that Mr. Carter made the suggestion that San Francisco be included in the sign on the marquise at the terminal building at Meacham Field, Fort Worth.

Attached is a letter from Airport Manager W. A. Rubottom which states that this installation will be made this week.

Dear Maury:

Your letter of September 3, 1947
to Mr. W. O. Jones, City Manager, has been referred
to me for reply.

This is to advise that the letters
for changing the sign on the marquise have been
made and received and installation will be made
during the coming week.

Yours very truly,
