Dear Sir:

Mr Oklers, mail  
carrier route 27 San Antonio  
tells me that on a recent  
visit to San Antonio Jim  
Hessinger had with him  
in his room a grip filled  
with pint bottles of liquor -  
He also said that the house  
detection of the Genl  
hotel received from the  
governor several hundred  
dollars to keep quiet in  
this matter - Mr Oklers

said that he received this information from a brother of the house detective who is a friend of his - This may all be a lie but in view of the fact that the negro brother of Mr. Grooms has been caught bootlegging it might be worth investigating -

If you desire to investigate this story will do what I can to assist you but will ask that you keep my name and that of Mr. Oakland out of it
