Mr. Amos G. Carter:—
Of Star Telegram,
Fort Worth, Texas

Dear Sir:—

I have no idea of what attitude you will adopt about Mrs. Ferguson's letter to you; and I'm not trying to even suggest anything. I've jotted down a few things that have occurred to me as possible to use in replying to her — if you do. If any of them appeal to you — pray make such use of them as you see fit.

I'm merely a common or garden variety of lawyer, but sarcasm happens to be one of my weaknesses. Then too I like shrewd fights and ear-chawing contests — from the side lines.

Yours very truly
Glover C. Johnson
