Dartmouth Mass.

Dear Sir - friend

I was with real pleasure
sure that I read your very printed letter to
Abraham J. Finn. When you put on Oswald
as next application dont only pass it on,
but ^{sub} at my will. Put in such a manner
as to get up circulation, but Finn is a
serious condition, He cant realize his condition.
Help him to get out of Austin as soon as
possible, just so as not to be inconsistent.

Very respect
Stay with your Lubbock
Chas. J. Dew. position.
J. O. Barton.
