

DEDICATED TO AMON CARTER AND DAN MOODY

Amon purposed a highway story, very, very bold,
Some highway matters he wished to unfold,
It prepared a hold for our youthful Dan
To discredit the commission and Ma's old man.

Jim, Ma's loud speaker and microphone
For his poor advice would not atone;
Dan entrusted his case to the justice of the court,
The decision clearly shows he held the fort.

Now Jim says the action was sublime,
The state lost \$900000 if it lost a dime,
Jim's a good figurer as the profits will show
And he was working for Texas we all well know ?

Dan cared little for Texas, and not much for Ma
But proceeded to lay it on adviser PA,
Jim should not rave and become so mad
A \$600000 saving is not so bad.

Amon was enjoyed and happy over the booty
And at the game hurrahed for A & M and Dan Moody,
Jim was aggrieved, didn't like the Yell
Told Amon Carter to go straight to HELL.

Why, he called in the walking cane,
Said such awful things, gave him a pain,
You can't be president of the T.T.C.
And yell against Ma and adviser ME.

Give me your resignation he promptly demanded
Its too big a package to me and the commission you have
Tis not Amon, tis not Dan, or the Kly Klux Klan. (handed),
Its just the damned old Damian Ma's old man.

Oh why should the people of Texas be proud,
While governed and ungoverned by the Ferguson crowd;
Let us live in a ravine off the side of the road
Not swept or resurfaced during their tenure or abode. ✓
