Dear Mr. Hayood:-

Please find

Enclosed my Report of yester day, showing me at Mullin,
~~Goldsboro~~ and ~~Dumas~~, together
with Chas (to cover 3 "Bank Day"
orders.

At Mullin Mrs. Eaton, the P.M.
and the Mullin Enterprise have both
been inactive, and as a result I
assume we will hold our own
Tele-Chronicle or need not
do anything.

At ~~Goldsboro~~ Dule Clements is
on the job, however he was out
of town, and could not do anything
for a day or two & went to ~~that~~
promised to renew with him.

The Chronicle and two will do
this usual amount of business
but we will also hold all our
and a good many others.

Kampasas which like Temple is
the Little grand for every Texas
Newspaper will not fall behind
with the Star-Telegram, although
the Dorothy ~~Condition~~ here has
hit all the papers hard. The Tele-
gram has more than twice the
circulation of any other paper
here - Every body seems to be an
Mr. Carter's sign here as well
as all the ~~brown~~ visitors this
week - I go from here up to
San Saba and over to San Saba to day.
