Mr. Amon G. Carter,

City.

Dear Sir:

I notice from this morning's Record-Telegram that "Red" Grange earned \$240.00 a linear yard for each yard gained in football scrimmage. This brings to my mind the following question: If Red Grange is entitled to \$240.00 per linear yard for carrying a football, how much are the road contractors entitled per square yard gained under contract from the Highway Commission?

Very truly yours,

P. S. Hurrah for Red Grange, Dan Moody, and Amon G. Carter!!!
