Fort Worth, Texas.

Dear Amon:

I am just in receipt of the box of pecans, and as I always like to be prompt in my appreciation for courtesies - please accept my thanks for your thoughtfulness. I see by the papers, as our friend Will Rogers would say, that "Ma" Ferguson says that the "rich are against her" - apparently she is against the rich and everything else. I see also that Rogers says that Jim Ferguson is the only Governor in the world by marriage. I suggest that you send her a few "nuts", without any explanation, - I think she'd understand.

With best regards, I am,

Sincerely yours,

*W. B. Sutton*
