When you find a fellow such as this letter shows Mauldin to be, there's no use arguing with him. Such is a waste of time and effort. Evidently, he is one of those dyed in the wool Fergusonites who would still be for Ferguson if he carried off the capitol. "e had wastee under other administrations it is true; we always will have. The Neff administration left the state in debt; that's true. But there is this difference; there was no scandal connected with the debts or the waste of the past. JMN
