

Theres a man names dangerous Dan,  
Way down South in Texas,  
He put some birds in the frying pan,  
Way down South in Texas,  
Ol' Dan Moody sure knows his stuff,  
He made those contractors holler enough,  
They now know the roads are rough,  
Way down South in Texas.

The Attorney General's on the job,  
Way down south in Texas.  
He made the Highway Commissioners sob,  
Way down south in Texas.  
He's got the situation under his thumb,  
It' looks like Burkett and Lanham are done,  
Old Dan put them on the Bum,  
Way down South in Texas.

There's a man name Satterwhite,  
Way down South in Texas,  
He fights for what he thinks is right,  
Way down south in Texas,  
He's got Ma Ferguson in an awful jam,  
She's blaming her troubles on the Klu Klux Klan,  
But the real trouble is her old man,  
Way down South in Texas.
