Will some one ask Ma and Pa if they knew the American Road Company was not under either bond or contract in this \$1,720-000,000 piece of road work?

—o—
If we had been a member of the Railroad Commission we had much rather be accused of graft than to admit we did not have the business sagacity to properly safeguard a business transaction.

—o—
If Ma and Pa knows of Millionaire newspaper men, district judges and other prominent men who violate the liquor laws why don't they go before grand jury? It would seem the Travis county grand jury could get some convicting testimony if they would subpoena our Chief executives.
