The Brownsville radio station the other night, in its 6 to 7 p. m. program, put on a series of Hawaiian numbers.

During the same hour the Fort Worth Star-Telegram station also gave several Hawaiian numbers.

The Brownsville numbers were every bit as entertaining as the Fort Worth entertainment.

Perhaps our homefolks didn't appreciate them so much, because they were so near. But far away, doubtless, it was a different story.

At one station school kiddies were given an hour in which to broadcast their appeals to Santa Claus.
