Mrs. Ferguson has called on Amon G. Carter, editor of the Fort Worth Record-Telegram to resign from the board or regents of the Tech College, saying that her reason is that he was drunk at a football game at Bryan Thanksgiving day and that he pulled a wild party at his home last December. Carter denies every one of her charges and refuses to resign unless the people of Texas and the other members of the board call on him to resign and what's the matter with Ma is, Mr. Carter yelled for A. & M. and Dan Moody in her hearing at the game and it did not sound good to her delicate ear drum. Stay in there Carter and fight and if Ma don't think the people of Texas will yell for Dan Moody just let him throw his hat in the ring for Governor. Carter is correct when he says Ma and Pa Ferguson want to divert the minds of the suffering tax payers from the highway matters.
