Dear Larry, just want to thank you for all the things you have done for us. We certainly do appreciate it.

Everything is fine here and new bets are being made every day, and even Billy Bingham has changed his opinion. We have 100 new officers from France and 6 French officers from Italy who were with an American outfit.

You should see our tomatoe crop. Keep up the good work. You should see T.P.P. soon. Sincerely, Amon Jr.
