

Dear Sallie:

I send you P.O. order for
\$25.⁰⁰. You need not be in any hurry about
getting it cashed. You can sign it and
send by Addie to the office to collect.
If Cousin W. Reid dont collect anything
from Partha you can let him have
five or ten dollars.

I leave to night after preaching, if nothing
should hinder. I wish I could remain
all the week, there is good work unfinished.
Leal. Carter was just waiting on his wife
last night to go forward. Several were
almost persuaded.

Yours,

A. Clark

Monday evening, July 9, 1883.

Sign the receipt on the P.O. order.
