Sunday evening

THORP'S SPRING HOOD CO TEX Aug 27 188

Dear Addison

The bill has just rung for church meeting. Children have all gone. Baby is not well enough for me to go. She is asleep now. I will commence writing perhaps I will get to finish in time for the morning mail. The baby is very fussy, the last 24 hours. Yesterday till today morning. Now she just seems uncomfortable. wants to lay quiet - in my arms all the time. she wont try to hear any weight on her feet. It may be that she is just - restless.

We have had so much rain
the past-weeks, every thing
seems damp yet. Things are
growing like Spring of the
year. Needs especially thinks
we will raise the second
crop. Randolph got home yes-
terday evening about three o'clock.
Went this morning to his ap-
pointment on Saturday. He
was three days coming from
Dallas. Came stopped twice
since I commenced writing
once to shut the south
gate, and to take baby.
Sister Norwood called
a little while this evening.
After she left, I went with
the children over ^{to} the
College, and stayed till
nine to eat our snacks.
Cows did not come soon
enough to be missed.

The children are all in
bed but Lillian she is sitting
here talking so I cannot
write. I will be so glad
when you get through
with your appointments
I am getting so tired
staying by ourselves,
I reckon Jesse will
be home soon. There is
a Methodist meeting going
on at the old College I can
hear the ~~preacher~~ preacher now.
We have not heard
how Mother stood her
trip. I have had so
much sleep the past-week
that I will be bound to
go to bed. Good night.
My dear precious,
Lottie
