THORP'S SPRING HOOD CO TEX Sept 1st 188

Dear Addison

I was just commencing to write when Bro. Davis came in and stayed about two hours. It is so late now that I will have to be in a great hurry. I received your little writing from Robinson yesterday. I think we had better wait until you come home to talk about taking Coaches. I cant do anything about getting ready and I have been working about it ever since you mentioned it. I would be glad to

have Miss Deane with
us, but our accommodations
are so poor, three dirty
baby rooms, three broken
down beds, an old
homemade lounge, and
some shaly bedding and
cover, and no chance
to get any carpenter's work
done. Mr. D. says he has
as much work as he can
do in the next five weeks,
it will take two more
weeks to finish the College.

Please do not bring that
boy home with you, I can
not do the work for our own
selves as it should be done.

The baby is still puny, Refie
has been sick since yesterday
morning, am giving Dursine
today, hope to get the fever

broken. Adelle went to
Granbury this morning to
get medicine for the baby
you know what Dr. always
~~recommends~~ recommends for sick
babies. Bro Bowlin has
had a good meeting on
Squaw creek near twenty
additions. If you have
more money than you
can take care of, perhaps
you had better send bro.
Sears, some, I dont like
to get make an account
any where, he credits so
many, that I know
he would be glad of
some money. I must
stop, now I have written
with the babe on my lap.
Good bye,

Pellie.
