STOCK MARKET

NEW YORK, JUNE 29 - ( AP ) - Three waves of selling battered the stock market today. Prices were knocked down one dollar to an extreme of around \$10 a share. Closing prices were lows for the session. The transactions totaled around three million shares. The decline was linked in some quarters with rumors concerning developments in Korea. The Losers included General Motors, Chrysler, United Stats Rubber, U.S. Steel, Republic Steel, American Telephone, Dupont, Allied Chemicals, Standard Oil of New Jersey, Kennecott Copper and Consolidated Edison.
