My dear Amon,

I have been meaning to write to you for some days past to thank you for that really beautiful belt which I found awaiting me when I returned recently from the South of France. It is a magnificent souvenir of your historic flight, and of my friendship with you.

I am sending you under separate cover a copy of "The Bystander", one of our principal weekly Society papers, which contains a picture of yourself.

I hope that it will not be long before we see you over here again.

*Yours very sincerely,  
Ward Price*
