Dear Mr. Carter:

Jimmy Stahlman and Roy Howard both told me several weeks ago that your son was missing. I can quite understand how distressing this has been for you but this morning I was happy to read an AP dispatch stating that young Amon is still alive. While it is of course a terrible thing to think of his being a prisoner of war in Germany, nevertheless there is some satisfaction in knowing that he is still alive. We all feel deeply for you.

With kind regards, I am

Sincerely yours,

Arthur S. Thompson
